TIME, OH TIME WHERE

WHERE DID YOU GO

Donna, you ish thing -

You're a strange sort of person. You squeak when you get excited (that's most of the time) and you always seem to be in good mood. You're obnoxious and beautiful. You're learning to be kind and mean, and I'm very glad there's only one of you in the world & that I know that one Donna. I'm not through hassling you yet - expect anything from me for the rest of your life, especially

Lots of love -

CHARLES FORTUNATO

Mr. Welch came to Vaca High in the fall of 1965. He was principal here until the spring of 1973, when he was appointed asst. superintendent. This year many students who knew him missed the genuine concern and support he had for our student body. The ULATIS thanks him and wishes him the best in the years to come.

The other half of the team, Mr. Fortunato, came to Vaca High first as a counselor in 1966. He was appointed vice-principal in 1969 and has given much of his time to student council, and the general concern of Vaca High. The ULATIS salutes Mr. Fortunato for a job well done.

THOSE WERE THE DAYS, MY FRIEND . . .

FOREVER AND A DAY . . .

WE'D LIVE THE LIFE WE CHOOSE . . .

WE'D FIGHT . . .

FOR WE WERE YOUNG . . .

AND SURE TO HAVE OUR WAY.

"SOME SCARED SEED LURKS IN EACH HUMAN PERSONALITY, NO MATTER HOW LOWLY ITS ARRIVAL ON EARTH. TO GIVE EVERY SUCH SEED THE DEEPEST POSSIBLE ROOTS AND THE HIGHEST POSSIBLE FLOWERING IS IN THE VISION AND THE HOPE OF THOSE IDEAS OF FREEDOM AND DISCIPLINE WHICH CONSTITUTE THE "AMERICAN DREAM."

Carl Sandburg

Schools are in the people business. Sometimes, with so much time and energy being spent on curriculum, activities, fund raising, maintenance of buildings, etc., those of us in education sometimes forget that these things are only means to an end; that end is people...students and teachers growing and learning together in a community. At the time of graduation, our focus is upon people, the Class of 1974. In Carl Sandburg's analogy, it is the hope of the Vacaville Unified School District that seeds of human personality have been given the deepest possible roots. The knowledge, the values, the friendship that have been developed will continue to develop and flourish in the years to come.

As I complete my first year as principal of Vacaville High, I am very much aware and impressed with the spirit of friendship and concern that is evident on the campus. I wish to thank the Class of '74 for the friendship and spirit that they have given to the school. With this same spirit and unity, Vacaville High will continue to be a source of pride for its students, both past, present, and future.

A NEW PRINCIPAL IS WELCOMED DR. CORNELISON

The 1974 Ularis is a unique edition in many ways. The layouts are all new, there is spot color throughout, and the pictures we feel are better than average. The coverage this year of activities was also increased with addition of 32 pages over last years book.

Nature photographs have been used continually in the book to capture the beauty of Vacaville to tie in with our high school activities. Sales were at an all time high this year and increased sponsorship has been encouraging.

Much thanks should be given to an energetic staff who put in more time far beyond what was demanded of them. Special thanks to Merlin Collingwood for his unique patience and continued warm feelings toward our problems. Also a special thank you to Richard Rico for his beautiful nature pictures and cover photo. And to Nan Wylie, for her imaginative photos. - "You're the greatest!"

And last but not least, to advisor Mr. Davis who kept the wheels turning - Thank you for "breaking precedence!" To the students of Vaca Wood High - We hope the yearbook is as meaningful to you as it was to us while putting it together.

ANNÉ

Anné Alenius, Vaca High's foreign exchange student, arrived in Vacaville in July 1973 from her native land, Finland. She has made Vacaville her home away from home this past year, and has become a friend of many of us. Although she is a 1973 graduate at our school, she still has another two years of schooling left in Finland. Anne would eventually like to be a foreign fashion purchaser for her country. We wish her the best of luck and hope her year in Vacaville was a most rewarding and enlightening experience.

Juniors struggled to find time for the many activities they participated in throughout the school year. They took part in games and dances, and junior girls participated in their first powder puff football game.

One of the most memorable events was the Christmas Ball. They spent many long hours planning and decorating. Many memories had been stored away by the time the long awaited event was completed.

At the closing of the school year, Juniors recollected many fond thoughts of accomplishments at Vaca High during past years for they had reached a long anticipated event. The Class of '75 was the Senior Class.

The 1973-74 Student Council, headed by Pres.

Keith Heinberger, began the school year with the traditional sale of Student Body Cards. The sales were average despite many discounts offered by local merchants. The next big "adventure" the council faced was Homecoming. Susan Allen Vice pres., was the chairman of all activities planned and generally organized the whole week with the help of the rest of Student Council. Homecoming week turned out to be a complete success, and will long be remembered as, "one of the best."

The rest of the fall Student Council's time was spent on distribution and tallying the Accreditation Questionnaire and looking into ways to improving communications between students and faculty. It was a GREAT first semester!!

Sophomores became activity conscious as they looked forward to participation in the various organizations on campus.

They experienced a new kind of freedom as they enrolled in driver's education and were able to order class rings for the first time. With their newly acquired mobility, after-school activities resulting in a greater amount of spirit for the Bulldogs!

"BIG BLACK IS BLACK"

The mighty Bulldogs captured the highly sought after #1 position in Superior California by winning the Capital City Play-offs. The Vacaville Bulldogs, whose pre-game schedule was pegged as the toughest in Superior California, began its relentless seige by defeating Norte Del Rio 22-13. The Bulldogs then outscored a strong Vintage team 39-29 with a powerful show of offense led by the passing of Pat Ford and the running of Dave Petree. Vacaville's first of two defeats came in the hands of Christian Bros. 20-34. The Bulldogs then journeyed to Enterprise to defeat the Hornets 26-19 behind the running of junior back Jeff Wright and the blocking of Jim Murdaca and Keith Heinberger. The Black and Orange began its 1973 Delta League with a 32-12 win over the Davis Blue Devils and a 26-19 victory over the Fairfield Falcons. Vacaville's second defeat came in a frustrated 18-38 game in Woodland.

The Bulldogs then bounced back to defeat a powerful Armijo Indian Football team 16-14 with outstanding performances by Bill Zupo, Aaron Kidder, and Joe Macrina. The stage was set for the traditional showdown between the Cordova Lancers and the Bulldogs. With the Chant "Big Red is Dead" the mighty Bulldogs put a stop to the longest win streak in Northern California history (27 wins) by shutting out the Lancers 12-0. Big Black is back for its fifth Delta League Championship. The tenacious Bulldogs dominated the semi-final game with a 19-6 victory over the Norte Del Rio Dons. On a rain-soaked field "Big Black" was not to be denied. They completely dominated the play-off game to capture the Capital City Play-offs with a 12-0 victory.

The 27 members led by Janet Fox, two year captain, began the year by bringing home a superior trophy and two additional trophies in drill competition from summer camp at Santa Cruz. The team placed first in competition at Fresno. The group has gained much recognition by their precision performances at all athletic events and parades. New uniforms were made by Senior Karen Nielsen, and new jackets were also purchased. The team is self supporting by selling homecoming ribbons, candy canes, and sponsor the Sadie Hawkins dance. They are advised by Mrs. Marina Plastino.

1974 SPRING STUDENT COUNCIL

Spring Student Council was kept busy throughout the second semester raising monies for the much needed PA System. Activities such as the Bike-a-thon, the Doobie Brothers Raffle, the Free Fare Concert, and the faculty play "Sneaky Fitch" all helped in raising the money needed for the system. The student body helped by supporting the events. The Spring Council also organized a student communication committee with other schools (headed by Patti Roady). They visited high schools in the valley area and in turn had them visit us to observe the daily operation of our school. Spring Student Council was a success ALL THE WAY!!!

Although separated from the Vaca campus, Freshmen added much to school spirit and activities this year. They participated in pep rallies, Homecoming, Football and Basketball games, and student council.

The Class of '77 was a bit bewildered during their first few weeks in high school, but they wasted no time becoming involved. Many joined clubs, went out for after school sports and helped with their second place winning Homecoming float.

The Freshmen Class of '77 encountered many new and exciting experiences, but most of them looked forward to their remaining years in high school with great anticipation.

Donna,
I realize that
you were just as bad,
Fearless, slave, and dignified
as I, in your work in the
office however, I tried. It was
all of fun and don't trip when
you go up to get your diploma.
Have fun and good luck.

Love,
Kath
